Also present: Jo-Ann Resendes, Principal Assessor

1. The board did a quick review of property sales over the last 18-24 months.
2. The principal assessor reminded the board that, due to the time taken up by the current ATB case since last spring, the third quarter bills would be late. Jo-Ann had brought this to the board's attention this in mid-September and had notified the Financial Management Team at that time. Mr. Colaneri asked that another memo be sent as a reminder.
3. The board signed certified abutters lists for: Deborah Shifkin (Life Tenant) and Laurence Greenberg, parcel 30-2.28; Town of West Tisbury, parcel 32-97.
4. Correspondence was received and noted as follows:

Letter from Attorney James H. Greene (Fisher, et al)

Jo-Ann Resendes, Principal Assessor
